EVS Sports - Option Air Knee and Elbow

[www.evs-sports.com](http://www.evs-sports.com)

In accordance to the EN 141210 standard clause 5.3 Innocuousness, the EVS Sports Option Air Knee and Elbow guards are safe and fit for their protective purpose. The manufacturer's instructions are to be followed as a guide for safe use. The construction and materials used will not adversely affect the health of the user. The constituent materials are chemically suitable, and will not in the foreseeable conditions of normal use release or degrade to release substances generally known to be toxic, carcinogenic, mutagenic, allergenic or otherwise harmful.

Sincerely,

A handwritten signature in black ink that reads "Jason Barnes".

Jason Barnes  
Vice President of Product Design
